**February, 2019**

**Craig Misch – Pro**

Baby its cold outside... Well not anymore but it was...let's hope mother nature lets us stay warm from now on!! I want to welcome Laura Vaughn back to the Pro Shop. We are so happy to have her back, stop by and say hello.

The driving range has a new look. I purchased some yardage signs and placed them down the middle of the range, it makes the range look much better. The signs are measured from the back of the front tier of the range. If your hitting from the back tier notice that I have labeled it (on the ground in white paint) how many yards to add to get how far it is from you to the signs, same with the front part of the front tier...it may sound a bit confusing and if you don't exactly understand just stop by and I will explain it to you.

New rules are in effect, I have a few more rule books if you want one. Remember, if

you're not sure about a rule, this book will tell you what it is and how to proceed.

Member-Member in 2 weeks, we have over 100 players signed up so far. Its gonna be HUGE.

We will be putting out our first pre emergent application for weed control on the week of February 11<sup>th</sup> for tees, fairways, and roughs. We will be also putting out our first applications for fairy ring and goose grass control on the greens in

February. We have removed some limbs around #13 green to help with sunlight to improve areas on the edges of the green. We removed the dead pine tree behind #15 green and replaced with a purple martin house to help with line of sight. This will also help with bugs around this area as well.

Please remember to drive "IN" the fairways as much as possible as this will help the Bermuda grass in the roughs.
