February, 2020

Craig Misch – General Manager

Season is in full swing and the course is in great shape, thanks to Terry, James and the maintenance crew for making our course one of the best conditioned courses in Lake county.

January did not see any member tournaments, but we have several coming up in the month of February. The Member-Member tournament is the second week of February. We have nearly 100 players signed up as of now and I expect a few more, should be a great event.

We also have our annual glow golf event coming up at the end of February. If you have never played in our glow golf event, please make it a point to sign up for this event, it is really a fun time. We will have the signup for glow golf after the Member-Member event has concluded.

MMGA-Gary Ritchey

Jim Oddo is capturing all of our Wednesday scores and posting each player's shots by hole. This will allow us to generate some great analytics after we get more data into the system. We can already see how each hole plays differently on different days.

The new handicap system is up and running and is now able to capture hole-by-hole results. We are all finally getting used to having to find our new handicap each round!

The golf committee is now auditing the scorecards. Thanks to the Pro Shop staff for all of their work last year on this task. As the committee is finding out, it is quite the task! We would like to thank them for all of the time they are donating making sure we are posting the scores correctly.

The MMGA would like to welcome our latest member, Rick Nelson. Also, we are very glad to report that Tom Lawrenson is

out of the hospital and is recovering at home. We all wish him a full and speedy recovery.

The MMGA and the MWGA are sponsoring a Mixed Team Chicago event February 19. It promises to be a fun outing. Sign up for a great time!
