- Treasurer: Carolyn Case 352.267.5614 willie-2@comcast.net

Cost to join: \$35/year

MWGA Game Day

MWGA Ladies' Day is played every Thursday starting at 8:00 a.m. for MWGA members. A different game is played each week for prizes. Signups are done through email invitations from the Golf Genius website to play. If members wish to play in the Thursday game, they need to respond as "Playing" or "Not Playing" on the email invitation sent the week prior to the game.

Entry Fee: \$3 per week, charged to the house account (Special events are \$8).

Contacts: Sue Scappaticci @ 203.671.3141 & Esther Patterson @ 352.435.7713

MWGA Two-Person Match Play

Match Play is a form of competition where individuals on a team of two are matched directly against players on an opposing team. With a possible 3 points per hole, scoring is calculated hole-by-hole, with players "A" from each team competing against each other for 1 point, and players "B" competing against each other for 1 point by earning the lowest net score per hole (using handicaps). The 3rd point is based on the lowest net score total by team (using handicaps). The final scores are added together season long to calculate the winning teams.

This competition happens on Tuesday mornings for members of the MWGA. There are four sessions per year; and the season length is determined by the number of teams playing, Sign-ups for teams happen in the Pro Shop beginning approximately two weeks prior to each session. (Must be a member of MWGA)

Entry Fee: \$20.

Challenge Cup

Members of MWGA may also become part of the Monarch Challenge Cup team. The Challenge Cup team of eight competes against teams of eight from other Golf Clubs. Matches are played both at the Monarch and at the opposing team's course. With a possible 2 points per hole, scoring is calculated hole-by-hole, with 1 point awarded to the 2-person team with the lowest *gross* score, and 1 point awarded to the 2-person team with the lowest *net* score (using handicaps). Scores for all teams then are added together to determine the overall points for Low Gross and Low Net for that match. These final scores are added year-long to name the Challenge Cup Champions for the year. (Must be a member of MWGA)
